## LegalCraft Solutions Announces the Release of the Next Generation Evidence Management Applications

**HYDERABAD - 1 February, 2008** — Today LegalCraft Solutions Pvt. Ltd. announced the immediate availability of its Transcript Management Product Suite. The flagship application Transcend™ is supported by RiverLex™ Enterprise Server and Courtroom Servers as well as LegalCraft Enterprise Manager and eZip™.

"It is a great day for LegalCraft and a great day for me personally," said LegalCraft Founder and Chief Executive, Surya Madiraju. "I am immensely proud to launch this suite of products which is the culmination of several years' research and development. I believe no other transcript management product compares with Transcend™ in terms of flexibility, functionality and usability. I am confident that the world's legal professionals will recognise the many advantages to be gained when they use these applications."

### LegalCraft Applications

#### LEGALCRAFT TRANSCEND™

*The best-of-the-breed transcript management application for evidence users*

---

Combines LegalCraft innovations such as full screen transcript view, live collaboration, tabbed browsing, customisable views and standards-based transcripts along with standard Transcript Management functions (annotations, exhibit linking, reporting capabilities and so on).

#### LEGALCRAFT RIVERLEX™ ENTERPRISE SERVER

*Transcend's multi-user collaboration server, links the Courtroom with the Enterprise*

---

Provides Realtime transmission of the transcript along with centralized Search and Reporting functionality.

#### LEGALCRAFT ENTERPRISE MANAGER™

*Flexible and easy-to-use Management Console for LegalCraft RiverLex™ Enterprise Server*

---

Creates and maintains case databases (CaseStores), user access permissions and manages Real-Time sessions thereby facilitating highly configurable user permission management and CaseStore repository administration for each case.

## **LEGALCRAFT RIVERLEX™ COURTROOM SERVER**

*Real-Time transcript broadcast server*

---

Provides secure transmission of transcript to remote LegalCraft RiverLex™ Enterprise Servers and LegalCraft Transcend™ connected within the courtroom.

## **LEGALCRAFT eZIP™**

*Utility for Court Reporters*

---

eZip is a free utility for Court Reporters to package Transcript and associated Exhibits into a compressed file. LegalCraft eZip™ packages can be imported directly into LegalCraft Transcend™

## **LegalCraft Product Availability**

LegalCraft products are available through channel partners in the United Kingdom and Australasia or directly from LegalCraft Solutions Pvt. Ltd.

## **About LegalCraft**

Founded in 2005, LegalCraft Solutions is spearheading world-class software product development for legal professionals. The company offers a wide range of products and services designed to empower legal professionals worldwide with highly efficient and effective litigation support and evidence management software solutions.
